## Notes for Assignment List (AL-1.1)

### Notes

#### **Receive Notifications**

- The system will display the 'Receive Notifications' checkbox to users who have the 'Can add feedback' permission or have permission to grade submissions.
- Upon clicking 'Receive Notifications', the system will begin sending the user an email notification for each submission made that he/she has permission to view.
- The method of notification that the user receives will depend on what the user has selected from the Notification Preferences screen (NP-1).

# Notification Preferences (NP-1)

 Assignments Beta

[Assignment List](#) | [Permissions](#) | Notification Preferences

## My Preferences

First, you must choose to receive notification of submissions for one or more assignments by clicking 'Notify Me' beneath the Assignment's title on the Assignment List screen. Then choose below how you would like to receive the notifications.

## Submission Notification Preferences

- ☒ Send me a notification email for each participant's submission
- ☐ Send me one email per assignment per day summarizing notifications for participant submissions

Save

Cancel

## Notes

### Submission Notification Preferences

- If the user has selected 'Send me a notification email for each participant's submission', the system will send the user an email notification for each submission made that he/she has permission to view for each assignment for which the user has selected 'Receive Notifications'.
- If the user has selected 'Send me one email per day summarizing notifications for participant submissions', the system will send the user one email per assignment per day that summarizes all of the submissions that were made for that assignment that day.
