**Grader Permission Settings**

Esc key or close **1**

Grader permissions may only be set for users with the following roles as defined in Site Setup: AI/TA, Librarian+. By default, these users may grade anything within their assigned sections/groups. **Adding or modifying these rules overrides the default permissions and restricts their capabilities to the permissions that are defined below.** Delete all rules to revert to the default permission settings.

> ⊘ **You are editing Gradebook permissions** **2**

# Notes for Grader Permissions Helper (GPH-1.1)

| Note # | Functional Notes |
|---|---|
| N/A | The user access this screen by clicking the 'Custom (Edit)' link from the A2 Permissions screen (AP-1). |
| 1 | **Esc key or close**<br>- Upon clicking the 'close' link, the system will clear any changes, close the helper window and return the user to the A2 Permissions screen (AP-1). |
| 2 | **Message**<br>- The system will display the following message to the user: "You are editing Gradebook permissions" |
| 3 | **Select a Grader to Edit**<br>- Upon clicking the 'Select a grader to edit' drop-down, the system will display the list of users that have the section.role.ta permission and the gradebook.gradeSection permission.<br>- Upon selecting a user from the drop-down, the system will display all rules associated with that user. |
| 4 | **Permission**<br>- The permissions that may be granted to a grader are 'Grade' or 'View'.<br>- If a user has the 'Grade' permission, then the user will have the 'Grade' text box on both the Gradebook Item Summary and the Student Summary screens.<br>- If a user has the 'View' permission, then the user will be able to see a student's grade, but will not be able to enter a grade. |
| 5 | **Category Selector**<br>- The options available from the Category drop-down are 'All Categories' and then a list of each category that has been created by the instructor.<br>- If a user has permission to grade or view 'All Categories', then the user will see all of the available categories listed on the Gradebook Items screen.<br>- If a user has permission to grade or view one or more individual categories, then the user will see only those categories that they are able to grade or view on the Gradebook Items screen. |
| 6 | **Group Selector**<br>- The options available from the Groups drop-down are 'All Sections/Groups' and then a list of each group that has been created by the instructor or the system.<br>- If a user has permission to grade or view All Sections/Groups, then the user will see all students listed on the Gradebook Item Summary, Student Summary, and All Grades screens.<br>- if a user has permission to grade or view one or more individual sections or groups, then the user will only see the students in the groups or sections that they are able to grade/view on the Gradebook Item Summary, Student Summary, and All Grades screens. |
| 7 | **Delete a Rule**<br>- If an instructor clicks the delete a rule icon (  ), then the system will remove that rule for the associated user and the change will take place once the instructor clicks 'Save Changes'. |
| 8 | **Add a Rule**<br>- If an instructor clicks 'Add a rule', then the system will add a new rule for the associated user with the following default settings: Permission: View, Category: All Categories, and Sections/Groups: All Sections/Groups. |

# Notes for Grader Permissions Helper (GPH-1.2)

| Note # | Functional Notes |
|---|---|
| 9 | **Save Changes**<br>- Upon clicking 'Save Changes', the system will save any changes made to the rules for each user edited, close the helper window, and return the user to the A2 Permissions screen (AP-1). |
| 10 | **Clear Changes**<br>- Upon clicking 'Clear Changes', the system will clear any changes made to the rules for each user edited, close the helper window, and return the user to the A2 Permissions screen (AP-1). |
